[pablolarah](#) [@DCTH](#) Adios [#edcth](#) -4:31 PM May 27th, 2010

[DCTH](#) Thanks for coming peoples - See you next week :) [#EDCTH](#) -4:30 PM May 27th, 2010

[azzcatdesign](#) [@DCTH](#) Adios! [#edcth](#) -4:30 PM May 27th, 2010

[azzcatdesign](#) [@tomsturge](#) Thanks. Am trying to push Typekit, CSS3 and make it all mobile-friendly. [#edcth](#) -4:29 PM May 27th, 2010

[DCTH](#) Right guys - it's been a pretty productive session! Thanks very much! Remember [#DCTH](#) is on at 7pm EST [#EDCTH](#) -4:28 PM May 27th, 2010

[tomsturge](#) [@azzcatdesign](#) Woah! Nice resize foo [#edcth](#) -4:28 PM May 27th, 2010

[azzcatdesign](#) [@decibelplaces](#) OK. Will try that. [#edcth](#) -4:26 PM May 27th, 2010

[azzcatdesign](#) [@decibelplaces](#) Thx Randall. Though it's OK in Chrome. Here's the site: <http://www.azzcatdevelopment.com/Azzcat2010/> [#edcth](#) -4:26 PM May 27th, 2010

[decibelplaces](#) [@media](#) screen and (-webkit-min-device-pixel-ratio:0) {Chrome & Safari styles go here} [#edcth](#) -4:25 PM May 27th, 2010

[azzcatdesign](#) [@Cryode](#) I'm not really sure how to debug jquery/js in firebug. I can do all the css stuff, but js...still newbie. [#edcth](#) -4:25 PM May 27th, 2010

[decibelplaces](#) [@azzcatdesign](#) webkit browsers Safari & Chrome may require specific CSS styles: [@media](#) screen and (-webkit-min-device-pixel-ratio:0) [#edcth](#) -4:24 PM May 27th, 2010

[Cryode](#) [#Q4](#) [@azzcatdesign](#) Have you debugged using FireBug and/or similar tools? Any results / hints / anything? [#EDCTH](#) -4:23 PM May 27th, 2010

[azzcatdesign](#) [@DCTH](#) JS effects slower/jerky. And my contact form, on 2nd use crashes the browser. So weird. [#edcth](#) -4:22 PM May 27th, 2010

[DCTH](#) [@azzcatdesign](#) what kind of breakages are you getting? [#EDCTH](#) -4:21 PM May 27th, 2010

[divinefusion](#) [@4SightGraphics](#) indeed... \*sigh\* [#EDCTH](#) -4:21 PM May 27th, 2010

[azzcatdesign](#) [@DCTH](#) I know. Hence the conundrum. :o [#edcth](#) -4:21 PM May 27th, 2010

[DCTH](#) [@divinefusion](#) shhhh - Im entertaining people.. lol [#EDCTH](#) -4:21 PM May 27th, 2010

[DCTH](#) [#Q4](#) well Safari is a webkit browser - so Chrome and Safari are pretty much the same beast. [#EDCTH](#) -4:21 PM May 27th, 2010

[4SightGraphics](#) [@divinefusion](#) I think most designers can relate :) [#EDCTH](#) -4:20 PM May 27th, 2010

[pablolarah](#) [@DCTH](#) lol [#edcth](#) -4:20 PM May 27th, 2010

[DCTH](#) [#Q4](#) How come Safari breaks on my dev site? Does it have javascript problems that FF and Chrome don't? (via [@azzcatdesign](#)) [#EDCTH](#) -4:20 PM May 27th, 2010

[azzcatdesign](#) [#Q](#) I mean, does Safari have issues that the other browsers don't? Not sure how to trouble-shoot for a 'good' browser. [#edcth](#) -4:19 PM May 27th, 2010

[divinefusion](#) [@DCTH](#) business cards. Stop hiding. :P [#EDCTH](#) -4:18 PM May 27th, 2010

[azzcatdesign](#) [@DCTH](#) I have one. How come Safari breaks on my dev site? Does it have javascript problems that FF and Chrome don't? [#edcth](#) -4:16 PM May 27th, 2010

[DCTH](#) If anyone wants to ask a cheeky last question we have time :D [#EDCTH](#) -4:15 PM May 27th, 2010

[DCTH](#) [@pablolarah](#) haha that sounds ominous! [#EDCTH](#) -4:15 PM May 27th, 2010

[divinefusion](#) [@4SightGraphics](#) nice. [#EDCTH](#) -4:14 PM May 27th, 2010

[azzcatdesign](#) [@Japh](#) Thanks to you! [#edcth](#) -4:14 PM May 27th, 2010

[pablolarah](#) [@Japh](#) We will be waiting... [#edcth](#) -4:14 PM May 27th, 2010

[Japh](#) Thanks for the TrickleTweet feedback! Will get onto it soon and let you guys know how I go :) [#EDCTH](#) -4:13 PM May 27th, 2010

[DCTH](#) [@4SightGraphics](#) LOL - and welcome :) [#EDCTH](#) -4:13 PM May 27th, 2010

[pablolarah](#) [@4SightGraphics](#) lol [#EDCTH](#) -4:13 PM May 27th, 2010

[azzcatdesign](#) RT [@DCTH](#): [@Japh](#) make sure it auto adds the hash like tweetchat does :) thats really nice...Yes for us lazy typers [#edctch](#) -4:12 PM May 27th, 2010

[4SightGraphics](#) [@DCTH](#) Sometimes it feels like it comes from the depths of hell, but mostly existing customers from over the years.. [#Q3](#) [#EDCTH](#) -4:12 PM May 27th, 2010

[azzcatdesign](#) [@Japh](#) It's very good looking in Safari. Little bit of letterpress effects going on. :) [#edctch](#) -4:12 PM May 27th, 2010

[DCTH](#) [#Q3](#) Mine is contacts/twitter/local business finding my site etc [#EDCTH](#) -4:12 PM May 27th, 2010

[pablolarah](#) [@DCTH](#) Agree. Very good [@japh](#) [#EDCTH](#) -4:12 PM May 27th, 2010

[pablolarah](#) Contacts [#EDCTH](#) -4:11 PM May 27th, 2010

[DCTH](#) [@Japh](#) make sure it auto adds the hash like tweetchat does :) thats really nice... [#EDCTH](#) -4:11 PM May 27th, 2010

[azzcatdesign](#) [#Q3](#) Most I dig up, some referrals. Not enough this month, in any case. I want more web design projects!! [#edctch](#) -4:11 PM May 27th, 2010

[divinefusion](#) [#Q3](#) 90% referral but always looking for new avenues :) [#EDCTH](#) -4:11 PM May 27th, 2010

[azzcatdesign](#) [@Japh](#) our work is never done! ;) [#edctch](#) -4:10 PM May 27th, 2010

[DCTH](#) [#Q3](#) where does most of your work come from (if you are solo of course)? [#EDCTH](#) -4:09 PM May 27th, 2010

[pablolarah](#) [@Japh](#) Good!!! And point for the lady. [#EDCTH](#) -4:09 PM May 27th, 2010

[Japh @azzcatdesign](#) mmm... I obviously need a bit heavier Twitter integration, huh? thanks! [#EDCTH](#) -4:09 PM May 27th, 2010

[azzcatdesign @Japh](#) Very nice. But how do I tweet? It threw me out to sign into twitter. [#edcth](#) -4:08 PM May 27th, 2010

[DCTH @Japh](#) hahah nice work - I will take a look at it :D [#EDCTH](#) -4:06 PM May 27th, 2010

[pablolarah](#) Nice Japh [#EDCTH](#) -4:06 PM May 27th, 2010

[DCTH](#) haha possibly :D Does anyone have any questions they would like to ask? [#EDCTH](#) -4:05 PM May 27th, 2010

[Japh](#) If chat stops working at all, you can try <http://trickletweet.com/#EDCTH> \*shameless plug\* (Also, any suggested improvements, @ me) [#EDCTH](#) -4:05 PM May 27th, 2010

[pablolarah @azzcatdesign](#) lol [#edcth](#) -4:05 PM May 27th, 2010

[azzcatdesign @DCTH](#) Maybe it's mental break time and no one told us! :o [#edcth](#) -4:04 PM May 27th, 2010

[pablolarah](#) The chat is back [#EDCTH](#) -4:04 PM May 27th, 2010

[DCTH @azzcatdesign](#) I was LOL - and then I got a row of messages! [#EDCTH](#) -4:03 PM May 27th, 2010

[azzcatdesign](#) Are we broke? [#edcth](#) -4:03 PM May 27th, 2010

[pablolarah @DCTH](#) You can take a mental break and that is enough... [#EDCTH](#) -3:55 PM May 27th, 2010

[azzcatdesign @DCTH](#) That's why dogs help. Destination not necessary. [#edcth](#) -3:55 PM May 27th, 2010

[DCTH](#) I would go for a walk actually - but there isn't really anywhere to walk [#EDCTH](#) -3:54 PM May 27th, 2010

[pablolarah](#) Just once a week...then it becomes a great stck in itself. [#EDCTH](#) -3:53 PM May 27th, 2010

[DCTH](#) for all you mac users - steam is now on mac with some cool games cheap lol [#EDCTH](#)

-3:53 PM May 27th, 2010

[azzcatdesign](#) [@pablolarah](#) That works, too! [#edcth](#)

-3:52 PM May 27th, 2010

[pablolarah](#) Or Absolut and ice? [#EDCTH](#)

-3:52 PM May 27th, 2010

[pablolarah](#) [@DCTH](#) Absolutly [#EDCTH](#)

-3:51 PM May 27th, 2010

[DCTH](#) [#Q2](#) GAMEZ! and playing with the kids / reading :) [#EDCTH](#)

-3:51 PM May 27th, 2010

[azzcatdesign](#) [@Creative\\_Guru2](#) lol! The restorative properties of doo doo! Who knew?

[#edcth](#)

-3:50 PM May 27th, 2010

[pablolarah](#) And think this is the way: Take a break. [#EDCTH](#)

-3:50 PM May 27th, 2010

[Creative\\_Guru2](#) that does work! grounds u RT [@azzcatdesign](#): [#Q2](#) When I get stuck on code I take a walk w/dogs. Picking up dog doo clears my head. ;-)

[#edcth](#) -3:49 PM May 27th, 2010

[Creative\\_Guru2](#) [#q2](#) - dont even think about design, read and get a fresh head... [#edcth](#)

-3:49 PM May 27th, 2010

[azzcatdesign](#) [#Q2](#) When I get stuck on code I take a walk w/dogs. Picking up dog doo clears my head. ;-)

[#edcth](#) -3:48 PM May 27th, 2010

[GenOneStudios](#) Hi everyone...sorta lurking. But i wanted to say Howdy! [#edcth](#)

-3:47 PM May 27th, 2010

[tomsturge](#) [#Q2](#) Go for a walk or cycle for a break and get some inspiration [#edcth](#)

-3:47 PM May 27th, 2010

[pablolarah](#) [@DCTH](#) Drawing and reading...[#Q2](#) [#EDCTH](#)

-3:47 PM May 27th, 2010

[pablolarah](#) [@DCTH](#) lol [#EDCTH](#)

-3:47 PM May 27th, 2010

[DCTH](#) [#Q2](#) when you get designer's block on a project amd get 'stuck' , what do you do to get 'unstuck'? (via [@blueturtlefl](#)) [#EDCTH](#)

-3:46 PM May 27th, 2010

[DCTH](#) [@pablolarah](#) luuuuuuuuvvvv \*puts on some barry white\* [#EDCTH](#) -3:46 PM May 27th, 2010

[azzcatdesign](#) [@pablolarah](#) yep. I was laughing at the prospect of 3000 people signing up for my pithy writing. ;- ) [#edcth](#) -3:45 PM May 27th, 2010

[pablolarah](#) [@DCTH](#) Love? [#EDCTH](#) -3:45 PM May 27th, 2010

[pablolarah](#) [@azzcatdesign](#) Then it is free, Cath [#EDCTH](#) -3:44 PM May 27th, 2010

[Creative\\_Guru2](#) RT [@DCTH](#): So the answer to question [#Q1](#) dont be a stranger - nice personalised emails from mail chimp - lots of love and good work :) [#edcth](#) -3:44 PM May 27th, 2010

[Creative\\_Guru2](#) i find it easy when updating my blog [#edcth](#) -3:44 PM May 27th, 2010

[azzcatdesign](#) [@Creative\\_Guru2](#) one can only hope for 3000 email addresses! [#edcth](#) -3:44 PM May 27th, 2010

[Creative\\_Guru2](#) can make template to look like you site or import your own CSS [#edcth](#) -3:44 PM May 27th, 2010

[DCTH](#) So the answer to question [#Q1](#) don't be a stranger - nice personalised emails from mail chimp - lots of love and good work :) [#EDCTH](#) -3:44 PM May 27th, 2010

[pablolarah](#) [@DCTH](#) Of course [#edcth](#) -3:43 PM May 27th, 2010

[Creative\\_Guru2](#) [@azzcatdesign](#) can use it with rss feed... when you post something new and email goes out.. can email up 3000 email per mth 4 free [#edcth](#) -3:43 PM May 27th, 2010

[DCTH](#) [@pablolarah](#) oww - I shall def give it a go then! [#EDCTH](#) -3:43 PM May 27th, 2010

[pablolarah](#) [@DCTH](#) And it is free depending the number of e-mails... [#EDCTH](#) -3:42 PM May 27th, 2010

[azzcatdesign](#) [@Creative\\_Guru2](#) Do you have it integrated w/WordPress? [#edcth](#) -3:42 PM May 27th, 2010

[azzcatdesign](#) [@Creative\\_Guru2](#) That's exactly the plan. Just not sure how to separate blog material from email info. [#edcth](#) -3:41 PM May 27th, 2010

[pablolarah](#) [@Creative\\_Guru2](#) Agree [#edcth](#) -3:41 PM May 27th, 2010

[DCTH](#) [@Creative\\_Guru2](#) yea I have heard good things about the chimp of mail.... [#EDCTH](#) -3:41 PM May 27th, 2010

[Creative\\_Guru2](#) [@azzcatdesign](#) use mail chimp...:) i like it... [#edcth](#) -3:41 PM May 27th, 2010

[pablolarah](#) [@DCTH](#) Yes [#edcth](#) -3:40 PM May 27th, 2010

[pablolarah](#) [@azzcatdesign](#) Good idea Cath [#edcth](#) -3:40 PM May 27th, 2010

[DCTH](#) [@pablolarah](#) Post sale service? [#EDCTH](#) -3:40 PM May 27th, 2010

[pablolarah](#) And maybe some service post sale (i do not know is there is a proper name for that) [#EDCTH](#) -3:39 PM May 27th, 2010

[azzcatdesign](#) [#O1](#) I'm planning on email campaign when my new site is up. [#edcth](#) -3:39 PM May 27th, 2010

[Creative\\_Guru2](#) Yeah, i guess keep them interested.. nice RT [@pablolarah](#): Second: Send e-mails from time to time: Christmas, birthdays, etc [#edcth](#) -3:37 PM May 27th, 2010

[divinefusion](#) [@azzcatdesign](#) me too. [#EDCTH](#) -3:36 PM May 27th, 2010

[azzcatdesign](#) [@DCTH](#) lol! Good question! I would like the answer. ;-)  
2010 [#edcth](#) -3:36 PM May 27th, 2010

[pablolarah](#) Second: Send e-mails from time to time: Christmas, birthdays, etc [#EDCTH](#) -3:35 PM May 27th, 2010

[DCTH](#) [@pablolarah](#) I would second that :D [#EDCTH](#) -3:35 PM May 27th, 2010

[DCTH](#) [@azzcatdesign](#) it's not a joke you know - there is no punchline LOL [#EDCTH](#) -3:34 PM May 27th, 2010

[pablolarah](#) The first step is the politeness and good work done. [#EDCTH](#) -3:34 PM May 27th, 2010

[Creative\\_Guru2](#) hummmm... I have held of from client to focus on personal projects > RT  
[@azzcatdesign](#): [@DCTH](#) Good one! How????? [#edcth](#) -3:33 PM May 27th, 2010

[pablolarah](#) [@azzcatdesign](#) It is true [#edcth](#) -3:32 PM May 27th, 2010

[azzcatdesign](#) [@DCTH](#) Good one! How????? [#edcth](#) -3:32 PM May 27th, 2010

[DCTH #Q1](#) how do you keep your former clients' attention to remind them you're still available for work. (via [@theconstruct](#)) [#EDCTH](#) -3:32 PM May 27th, 2010

[azzcatdesign](#) [@pablolarah](#) Sometimes I think the preferred app is just the one that appears when you can play. Learn it, forget others [#edcth](#) -3:31 PM May 27th, 2010

[pablolarah](#) [@DCTH](#) Oki doki [#EDCTH](#) -3:31 PM May 27th, 2010

[DCTH](#) Ok lets get some Quezzies on the go! [#EDCTH](#) -3:31 PM May 27th, 2010

[azzcatdesign](#) [@Creative\\_Guru2](#) Saw that. Been meaning to do that. Need more space.  
[#edcth](#) -3:30 PM May 27th, 2010

[pablolarah](#) [@azzcatdesign](#) I won the app in a contest. lol I have Snagit but I am always using Snapshot or Adobe Air apps. [#EDCTH](#) -3:30 PM May 27th, 2010

[azzcatdesign](#) I've been using Snagit to capture and notate directions for client to use WordPress admin. For remote instructions. [#edcth](#) -3:30 PM May 27th, 2010

[Creative\\_Guru2](#) the more you recommend the more free space you can get! [#edcth](#) -3:29 PM May 27th, 2010

[azzcatdesign](#) <http://www.techsmith.com/screen-capture.asp> (Mac still free in beta) [#edcth](#) -3:29 PM May 27th, 2010

[Creative\\_Guru2](#) dropbox is AWESOME RT [@DCTH](#): [@pablolarah](#) sounds interesting - I use dropbox lots.. :D shared folders are awesome <http://bit.ly/bIBLr7> [#edcth](#) -3:29 PM May 27th, 2010

[pablolarah](#) Yes, and now with the Folder stuff Live Spaces or something like this: 25 gygas  
[#EDCTH](#) -3:28 PM May 27th, 2010

[Creative\\_Guru2](#) [@azzcatdesign](#) oh thats kool [#edcth](#) -3:28 PM May 27th, 2010

[azzcatdesign](#) [@pablolarah](#) Have you used Snag-it? Used to be just PC, but there's a Mac beta version that I've been using. Let me get link. [#edcth](#) -3:28 PM May 27th, 2010

[DCTH](#) [@pablolarah](#) sounds interesting - I use dropbox lots... :D shared folders are awesome <http://bit.ly/bIBLr7> [#EDCTH](#) -3:27 PM May 27th, 2010

[pablolarah](#) With the GotProject thing you can grab pages and make marginal notes etc [#EDCTH](#) -3:26 PM May 27th, 2010

[pablolarah](#) [@DCTH](#) Something like... I was proposing Notable. It is made for that. [#EDCTH](#) -3:24 PM May 27th, 2010

[pablolarah](#) [@azzcatdesign](#) hehehe ;) [#EDCTH](#) -3:24 PM May 27th, 2010

[DCTH](#) [@pablolarah](#) is that like an Evernote colab? lol [#EDCTH](#) -3:23 PM May 27th, 2010

[pablolarah](#) [@azzcatdesign](#) Agree. Very interesting project. [#EDCTH](#) -3:23 PM May 27th, 2010

[azzcatdesign](#) [@pablolarah](#) OK. I signed up for GP and Clippit. But haven't used either yet. [#edcth](#) -3:23 PM May 27th, 2010

[DCTH](#) [@Creative\\_Guru2](#) cool :D [#EDCTH](#) -3:23 PM May 27th, 2010

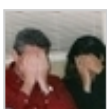

[azzcatdesign](#) [@Creative\\_Guru2](#) Sounds fun. I want to build a LEED platinum urban house when kids are all gone...2 yrs. [#edcth](#) -3:22 PM May 27th, 2010

[pablolarah](#) [www.gotproject.com](http://www.gotproject.com) [#EDCTH](#) -3:21 PM May 27th, 2010

[pablolarah](#) It is about a tool for collaboration. It is GotProject and not Clippit [#EDCTH](#) -3:21 PM May 27th, 2010

[mikeconaty](#) [@pablolarah](#) Hola Pablo! [#edcth](#) -3:20 PM May 27th, 2010

[Creative\\_Guru2](#) I am good, about to start a editorial project... about green design in homes... doing research for layout ideas [#edcth](#) -3:20 PM May 27th, 2010

[pablolarah](#) I want to correct a mistake of the last chat... [#EDCTH](#) -3:20 PM May 27th, 2010

[azzcatdesign](#) [@mikeconaty](#) Sneaky little sprites... [#edcth](#) -3:19 PM May 27th, 2010

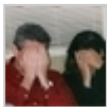

[pablolarah](#) [@mikeconaty](#) Hola MIke [#EDCTH](#) -3:19 PM May 27th, 2010

[azzcatdesign](#) [@DCTH](#) slow...wrapping up a print project. (Secretly working on my new site) Looking for next project. Want more web! [#edcth](#) -3:19 PM May 27th, 2010

[pablolarah](#) [@DCTH](#) Fine, thanks [#EDCTH](#) -3:19 PM May 27th, 2010

[mikeconaty](#) [@azzcatdesign](#) I'll try, but sometimes you just have to go negative with these sprite margins... dirty politics, I know. :-)) [#edcth](#) -3:18 PM May 27th, 2010

[pablolarah](#) [@azzcatdesign](#) No, Cath [#EDCTH](#) -3:18 PM May 27th, 2010

[DCTH](#) How is everyone this week :D [#EDCTH](#) -3:17 PM May 27th, 2010

[pablolarah](#) [@Creative\\_Guru2](#) ;) [#EDCTH](#) -3:17 PM May 27th, 2010

[pablolarah](#) [@azzcatdesign](#) Fine Thank you. [#edcth](#) -3:17 PM May 27th, 2010

[Creative\\_Guru2](#) that is sooo true.. a beast! RT [@azzcatdesign](#): [@pablolarah](#) Hey Pablo! Youve been on Twitter a lot lately! How are you? [#edcth](#) -3:17 PM May 27th, 2010

[azzcatdesign](#) Did you guys see this article? Might be worth a discussion: <http://www.alistapart.com/articles/responsive-web-design/> [#edcth](#) -3:17 PM May 27th, 2010

[pablolarah](#) [@DCTH](#): [@azzcatdesign](#) [@mikeconaty](#) [@Creative\\_Guru2](#) @ cecycorrea [@divinefusion](#) welcome welcome welcome :D [#edcth](#) -3:16 PM May 27th, 2010

[azzcatdesign](#) [@pablolarah](#) Hey Pablo! You've been on Twitter a lot lately! How are you? [#edcth](#) -3:15 PM May 27th, 2010

[Creative\\_Guru2](#) Gracias RT [@DCTH](#): [@azzcatdesign](#) [@mikeconaty](#) [@Creative\\_Guru2](#) welcome welcome welcome :D [#edcth](#) -3:15 PM May 27th, 2010

[pablolarah](#) [@Creative\\_Guru2](#) Hola [#edcth](#) -3:15 PM May 27th, 2010

DCTH [@azzcatdesign](#) [@mikeconaty](#) [@Creative\\_Guru2](#) welcome welcome welcome :D  
[#EDCTH](#) -3:15 PM May 27th, 2010

Creative\_Guru2 [@divinefusion](#) [@pablolarah](#) Hola! [#edcth](#) -3:14 PM May 27th, 2010

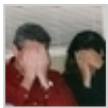

pablolarah The tiny chat is a little bit slow. Hi Cath [#EDCTH](#) -3:14 PM May 27th, 2010

azzcatdesign Hello, edcthers! I'm kinda sorta here. I'm wrangling CSS, as well.  
[@mikeconaty](#) trying to stay 'positive' w/pixels today ;-) [#edcth](#) -3:14 PM May 27th, 2010

Creative\_Guru2 did i make it [@dcth!!!](#) [#edcth](#) -3:13 PM May 27th, 2010

mikeconaty The usual Thursday afternoon pop-in just to say hi. CSS sprite wrassling at the moment... thinking in negative pixels makes me sad. [#edcth](#) -3:12 PM May 27th, 2010

DCTH [@cecycorrea](#) exactly! good to see you awesome self chiming in :D [#EDCTH](#) -3:11 PM May 27th, 2010

pablolarah Well, we could try to do our best... [#EDCTH](#) -3:11 PM May 27th, 2010

cecycorrea [@DCTH](#) cuppa tea? That's how you know this is [#EDCTH](#) and not [#DCTH](#) ;) -3:10 PM May 27th, 2010

DCTH [@pablolarah](#) yea I am not sure if we should regroup in 10 mins... [#EDCTH](#) -3:10 PM May 27th, 2010

pablolarah Hello [#EDCTH](#) -3:09 PM May 27th, 2010

pablolarah [@DCTH](#) Sorry Twitter coming and going [#EDCTH](#) -3:07 PM May 27th, 2010

DCTH Join me for a [#EDCTH](#) TweetChat at: <http://tweetchat.com/room/EDCTH> [#EDCTH](#) -3:06 PM May 27th, 2010

DCTH Aarrggghh twitter is dyinggggg... lol [#EDCTH](#) -3:05 PM May 27th, 2010

divinefusion alo : ) [#EDCTH](#) -3:04 PM May 27th, 2010

[DCTH](#) [@divinefusion](#) [@pablolarah](#) hellos and thanks :D [#EDCTH](#) -3:04 PM May 27th, 2010
