[maddisondesigns](#) [@DCTH](#) Thanks big Mike! Ya managed to keep this thing on the road today instead of driving it over a cliff. Well done ;-) [#dctch](#) -8:35 PM Jun 17th, 2010

[dambold](#) [@tkawaidesign](#) haha. Yeah. I can't do the twang. [#dctch](#) -8:35 PM Jun 17th, 2010

[tkawaidesign](#) [@dambold](#) I can't do any country, that twangy-ness is too much for me. (no offense to all the southerners out there..) [#dcth](#) -8:34 PM Jun 17th, 2010

[Sakmaniac](#) I Cannot believe I just showed up at the end! Argh! [#dcth](#) -8:33 PM Jun 17th, 2010

[GenOneStudios](#) [#Q6](#) I found lately that the music is somewhat distracting. But I like easy listening. Light Classical, violin... [#dcth](#) -8:32 PM Jun 17th, 2010

[DCTH](#) OK folks, that's the official [#DCTH](#) vuvuzela signaling the end of the game. Thanks for a great chat again this week. -8:31 PM Jun 17th, 2010

[dambold](#) [@maddisondesigns](#) awesome. It's been kind of quiet here too. [#dcth](#) -8:30 PM Jun 17th, 2010

[tkawaidesign](#) [@dambold](#) If I listened to Reba while working, I'd probably end up designing a 1995 Geocities look-a-like. haha [#dcth](#) -8:30 PM Jun 17th, 2010

[maddisondesigns](#) [@DCTH](#) [@Q6](#) Bit of Everything. Rock/Alternative mainly. Death Cab For Cutie, Florence+The Machine, Blue October, Howie Day, Muse [#dcth](#) -8:30 PM Jun 17th, 2010

[visualchemist](#) [@DCTH](#) Sounds boring but it depends on what I'm working on at the time. I'll turn the news on for BG noise, but tune it out as I work. [#DCTH](#) -8:30 PM Jun 17th, 2010

[mikeconaty](#) [@nicholastalks](#) Sorry :-(You sent it to [@DCTH](#)? See what happens when they let amateurs like me run the show? :-) [#DCTH](#) -8:29 PM Jun 17th, 2010

[nicholastalks](#) My kids are starved of love, affection and food. Better run -- Stalker Out! [#dcth](#) -8:29 PM Jun 17th, 2010

[dambold](#) [@DCTH](#) it all depends on the project. Once I listened to country while designing a Reba McEntire site. (I never listen to country.) [#dcth](#) -8:28 PM Jun 17th, 2010

[fray](#) [#Q6](#) Sometimes I listen to industrial. Right now the Pandorum soundtrack has been great to work to. I also put on 'white noise'. [#DCTH](#) -8:28 PM Jun 17th, 2010

[maddisondesigns](#) [@dambold](#) Yeah, hasn't been too bad. Waiting on some client feedback atm so hasn't been quite as hectic this week [#dctch](#) -8:27 PM Jun 17th, 2010

[cohenspire](#) [@DCTH](#) [#q6](#) [#dctch](#) depends on the time of day, what's new, and what tickles my fancy. Hip-hop, indie rock, acoustic, prog rock, etc. -8:26 PM Jun 17th, 2010

[mikeconaty](#) [#Q6](#) Depends on the site, or if it's a video, usually nothing since I'm working on audio at the same time [#DCTH](#) -8:26 PM Jun 17th, 2010

[tkawaidesign](#) [#Q6](#) I prefer to listen to some hardcore, punk, and some prog rock. Lately I've been on an I am Abomination and Chiodos kick. [#dctch](#) -8:26 PM Jun 17th, 2010

[nicholastalks](#) [@mikeconaty](#) doh... I just asked if anyone used brochures, printed or PDF? [#dctch](#) -8:25 PM Jun 17th, 2010

[ngassmann](#) [#Q6](#) Indie bands, good hip-hop (common, mos def). Anything that can put me in a "chill" state of mind. [#dctch](#) -8:25 PM Jun 17th, 2010

[MillerMosaicLLC](#) None. I can't listen to music and do work. When I take breaks I listen to upbeat music. [#Q6](#) [#DCTH](#) -8:25 PM Jun 17th, 2010

[nicholastalks](#) [#Q6](#) Groove Salad, internet radio. [#dctch](#) -8:25 PM Jun 17th, 2010

[ngassmann](#) [#Q5](#) Already did one today, a few more tomorrow. [#dctch](#) -8:23 PM Jun 17th, 2010

[DCTH](#) [#Q6](#) What kind of music do you listen to while designing/coding? Or do you not listen to tunes while working? [#DCTH](#) -8:23 PM Jun 17th, 2010

[nicholastalks](#) [@dctch](#) you get my Q's? [#dctch](#) -8:23 PM Jun 17th, 2010

[mikeconaty](#) [@tkawaidesign](#) I don't have one either, so no one gets toys if I don't :-)
[#DCTH](#) -8:21 PM Jun 17th, 2010

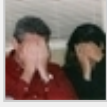

[maddisondesigns](#) [@dambold](#) Hows your weeks been going Michael? [#dcth](#) -8:21 PM Jun 17th, 2010

[dambold](#) [@tkawaidesign](#) [@mikeconaty](#) hahaha [#dcth](#) -8:21 PM Jun 17th, 2010

[maddisondesigns](#) [@dambold](#) Evening Mr Dambold. [#dcth](#) -8:18 PM Jun 17th, 2010

[mikeconaty](#) We need a REALLY GOOD [#Q6](#) to end this with a bang! Anyone? Anyone? :-) [#DCTH](#) -8:18 PM Jun 17th, 2010

[dambold](#) [@GenOneStudios](#) [@fray](#) [@mikeconaty](#) hola! [#dcth](#) -8:17 PM Jun 17th, 2010

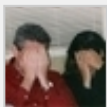

[dambold](#) [@tkawaidesign](#) haha sriry. [#dcth](#) -8:17 PM Jun 17th, 2010

[visualchemist](#) [@seebrowntweet](#) Do you end up making real connections with classmates and instructors at all or does it feel like you're in a bubble? [#DCTH](#) -8:15 PM Jun 17th, 2010

[maddisondesigns](#) [@seebrowntweet](#) Bye Cindy! [#dcth](#) -8:15 PM Jun 17th, 2010

[nicholastalks](#) [@Creative_Guru2](#) sorry, just kidding. i'm using CS4... [#dcth](#) -8:14 PM Jun 17th, 2010

[Creative_Guru2](#) [@Creative_Guru2](#) I meant pushing myself [#Dcth](#) -8:14 PM Jun 17th, 2010

[seebrowntweet](#) [@azzcatdesign](#) have fun, i need to run too! bye everyone! [#DCTH](#) -8:13 PM Jun 17th, 2010

[tkawaidesign](#) [@dambold](#) Where's your tardy pass? haha [#dcth](#) -8:13 PM Jun 17th, 2010

[majesticjess](#) [@azzcatdesign](#) Bye! [#DCTH](#) -8:13 PM Jun 17th, 2010

[Creative_Guru2](#) [@nicholastalks](#) ai [#8](#) or [#9](#)??? cs3 is really good! Artboards help out a lot... [#Dcth](#) -8:13 PM Jun 17th, 2010

[majesticjess](#) [#Q4](#) I did some online work at sessions.edu - it really helped get a foundation. I was afraid being self taught I had lft smething out. [#DCTH](#) -8:13 PM Jun 17th, 2010

[tkawaidesign](#) [@Creative_Guru2](#) Ah yeah, that's very true. You definitely don't want to rush through it. [#dcth](#) -8:13 PM Jun 17th, 2010

[azzcatdesign](#) Hey, Friends...I've got to run. Going to PDX WordPress user group. Have a great weekend! [#dcth](#) -8:13 PM Jun 17th, 2010

[mikeconaty](#) [@dambold](#) Hey Michael. [#DCTH](#) -8:13 PM Jun 17th, 2010

[GenOneStudios](#) [@dambold](#) Howdy! [#dcth](#) -8:13 PM Jun 17th, 2010

[seebrowntweet](#) [@visualchemist](#) online. the accreditation is the same. the lecture (reading) material is the same. [#DCTH](#) -8:12 PM Jun 17th, 2010

[fray](#) [@dambold](#) Hey there. [#DCTH](#) -8:12 PM Jun 17th, 2010

[tkawaidesign](#) [#Q5](#) I'll update mine soon. I'm still learning how to make themes, so I'm scared it'll break my layout haha. [#dcth](#) -8:12 PM Jun 17th, 2010

[Creative_Guru2](#) [@tkawaidesign](#) I agree, but it also about paging myself [#Dcth](#) -8:12 PM Jun 17th, 2010

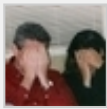

[nicholastalks](#) [@azzcatdesign](#) oh right, course ! LOL [#dcth](#) -8:12 PM Jun 17th, 2010

[dambold](#) holaa!! [#dcth](#) -8:12 PM Jun 17th, 2010

[Creative_Guru2](#) [@DCTH](#) [#q5](#).. I just did... The multisite option is confusing [#DctH](#) -8:11 PM Jun 17th, 2010

[mikeconaty](#) [#Q5](#) Might install it this weekend on a dev site, just to see how much training I'll need to give clients when I update their sites [#DCTH](#) -8:11 PM Jun 17th, 2010

[tkawaidesign](#) [@Creative_Guru2](#) If you want to teach, I think a MFA would be crucial to have. [#dcth](#) -8:11 PM Jun 17th, 2010

[maddisondesigns](#) [@DCTH](#) [#Q5](#) Going to update my dev sites today and will probably do my live site sometime over the w/e if all goes well [#dcth](#) -8:11 PM Jun 17th, 2010

[seebrowntweet](#) [#q5](#) i probably will. The reminder hasn't popped up on my pages yet... [#DCTH](#) -8:11 PM Jun 17th, 2010

[copperproject](#) [@anepiphany](#) you maybe interested in joining [#DCTH](#) they're in session now :) weekly Design tweetup -8:11 PM Jun 17th, 2010

[azzcatdesign](#) [@nicholastalks](#) No, silly. It's Mellifluoazzi! [#dcth](#) -8:10 PM Jun 17th, 2010

[nicholastalks](#) [#q5](#) sigh yea, i guess I am. Why do they upgrade anything? Sheesh. Illustrator 8 and OS 9 were just fine... [#dcth](#) -8:10 PM Jun 17th, 2010

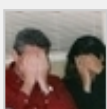

[john_cozen](#) [#DCTH](#) [#Q5](#) just upgraded www.johncozen.com to wordpress 3.0 ; haven't spent much time with it but the upgrade seemed to work OK -8:10 PM Jun 17th, 2010

[visualchemist](#) [@seebrowntweet](#) are you taking the online or in-class route? [#DCTH](#) -8:10 PM Jun 17th, 2010

[seebrowntweet](#) [@tkawaidesign](#) I agree. [#q4](#) [#DCTH](#) -8:10 PM Jun 17th, 2010

[mikeconaty](#) [@visualchemist](#) I think it depends on how you learn and/or want to interact with other students/profs. In person still works. :-) [#DCTH](#) -8:10 PM Jun 17th, 2010

[nicholastalks](#) [@azzcatdesign](#) LOL your name is Azz Mellifluous? Weird. [#dcth](#) -8:10 PM Jun 17th, 2010

[majesticjess](#) [#Q5](#) I just started a new site so it wasn't too far in to upgrade - it's pretty nice! Is there an article somewhere with the new specs? [#DCTH](#) -8:10 PM Jun 17th, 2010

[Creative_Guru2](#) [@tkawaidesign](#) I do want to teach... I do now, wanna maybe fulltime [#Dcth](#) -8:10 PM Jun 17th, 2010

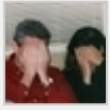

[azzcatdesign](#) [@DCTH](#) [#Q5](#) oooohhhh...MeMeMe! [#dcth](#) -8:09 PM Jun 17th, 2010

[tkawaidesign](#) [@seebrowntweet](#) But when it comes to critiques/brainstorming/etc., face to face will always trump online chat. [#dcth](#) -8:09 PM Jun 17th, 2010

[seebrowntweet](#) [@visualchemist](#) [#Q4](#) I def. feel I'm missing out, but it makes up for it in convenience, and the material is exactly the same. [#DCTH](#) -8:09 PM Jun 17th, 2010

[mikeconaty](#) [@nicholastalks](#) or draw that turtle from the back of magazines. :-)
[#DCTH](#) -8:09 PM Jun 17th, 2010

[azzcatdesign](#) [@nicholastalks](#) And since I have a mellifluous Italian surname, they'll let me stay when I run out of money! [#dcth](#) -8:09 PM Jun 17th, 2010

[Creative_Guru2](#) [@tkawaidesign](#) very true... [#Dcth](#) -8:08 PM Jun 17th, 2010

[visualchemist](#) [#Q4](#) Wanting to get a MFA, but not real sure about online vs. in class. Seems in-class would be more fulfilling. [#DCTH](#) -8:08 PM Jun 17th, 2010

[DCTH](#) [#Q5](#) (via [@maddisondesigns](#)) If you're using WP, who's planning on updating their sites to V3.0 over the next day or 2? [#DCTH](#) -8:08 PM Jun 17th, 2010

[seebrowntweet](#) [@tkawaidesign](#) I think it depends. that's what i mean about not leveraging the tech. you get social, just no face time, mostly [#q4](#) [#DCTH](#) -8:08 PM Jun 17th, 2010

[azzcatdesign](#) [@seebrowntweet](#) yes. mixing paints is best done in person. :) [#dcth](#) -8:08 PM Jun 17th, 2010

[nicholastalks](#) [Q4](#) with fine art you'd be missing the community and critique. Unless you want to paint sunsets and cats.. [#dcth](#) -8:08 PM Jun 17th, 2010

[nicholastalks](#) [@azzcatdesign](#) i like that plan!! [#dcth](#) -8:07 PM Jun 17th, 2010

[seebrowntweet](#) [@azzcatdesign](#) [#q4](#) yeah, not so sure about fine art. seems like you'd be losing out on teaching instruction 1on1 [#DCTH](#) -8:07 PM Jun 17th, 2010

[tkawaidesign](#) With online courses, you don't get the interactions w/ students/profs as you would in a normal collegiate setting too. [#dctch](#) -8:07 PM Jun 17th, 2010

[azzcatdesign](#) [#Q4](#) I'll retire in Tuscany, learn Italian and do my MFA online :) [#dctch](#) -8:06 PM Jun 17th, 2010

[nicholastalks](#) I mean the prof and the institution made all the diff.... [#dctch](#) -8:06 PM Jun 17th, 2010

[nicholastalks](#) Q4 all the courses i've taken REALLY made a diff with the prof and institution. [#dctch](#) -8:06 PM Jun 17th, 2010

[seebrowntweet](#) schools teaching online haven't figured out how to leverage the technology yet. [#q4](#) [#DCTH](#) -8:05 PM Jun 17th, 2010

[azzcatdesign](#) [@seebrowntweet](#) [#Q4](#) I can see design online. Drawing/painting, not so much. [#dctch](#) -8:05 PM Jun 17th, 2010

[kellishaver](#) [#q4](#) I want to do it at some point, but more for personal reasons than professional. [#dctch](#) -8:05 PM Jun 17th, 2010

[seebrowntweet](#) as for the online aspect, depending on how it's taught, it's basically the same as in-person. should be better w/technology, tho. [#q4](#) [#DCTH](#) -8:05 PM Jun 17th, 2010

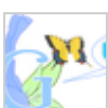

[tkawaidesign](#) [#Q4](#) I don't see much value in having a MFA unless I was going to teach design courses. Portfolio > Degree [#dctch](#) -8:04 PM Jun 17th, 2010

[azzcatdesign](#) [@seebrowntweet](#) [#Q4](#) Yeah. Might rather travel. [#dctch](#) -8:04 PM Jun 17th, 2010

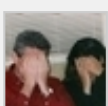

[seebrowntweet](#) [#q4](#) def. won't get you any higher pay. basically, yes, an indulgence and for teaching in higher ed. [#DCTH](#) -8:03 PM Jun 17th, 2010

[GenOneStudios](#) [@nicholastalks](#) Hehehe.. can I go sky diving like Bush 41? Non of that boring stuff :-D [#dctch](#) -8:03 PM Jun 17th, 2010

[john_cozen](#) [#DCTH](#) [#Q4](#) sure, why not -8:03 PM Jun 17th, 2010

[mikeconaty](#) [@traceygr](#) Yeah, I had a long negotiation once with an animator about that. [#DCTH](#) -8:03 PM Jun 17th, 2010

[nicholastalks](#) Q4 for design? I dont think i'd bother. Yr portfolio is worth way more. Spend the money/time, do MFA locally IMVHO [#dctch](#) -8:03 PM Jun 17th, 2010

[fray](#) #Q4 If it's a certified program I wouldn't have a problem with it. Like if Art Center or Cal Arts was putting it on. [#DCTH](#) -8:02 PM Jun 17th, 2010

[azzcatdesign](#) @DCTH #Q4 I always thought an MFA would be fun/indulgent. Didn't mean it would get me higher pay. [#dcth](#) -8:02 PM Jun 17th, 2010

[seebrowntweet](#) #Q4 Oh, I'm actually doing one now, so I think it's great. I also work in higher ed (not the same school I attend). Too long for 140c [#DCTH](#) -8:02 PM Jun 17th, 2010

[maddisondesigns](#) @nicholastalks Ok. Best I start practicing my golf swing then. [#dcth](#) -8:02 PM Jun 17th, 2010

[nicholastalks](#) @GenOneStudios There's always curling, bridge, cribbage. I'll send you a brochure. [#dcth](#) -8:02 PM Jun 17th, 2010

[mikeconaty](#) @seebrowntweet LOL [#DCTH](#) -8:01 PM Jun 17th, 2010

[DCTH](#) #Q4 (via [@visualchemist](#)) What are your thoughts on getting a MFA/Design degree through online programs? [#DCTH](#) -8:01 PM Jun 17th, 2010

[seebrowntweet](#) boy, i hope the next question doesn't lead to a debby downer! :P [#DCTH](#) -8:01 PM Jun 17th, 2010

[maddisondesigns](#) @majesticjess Agreed. Definitely. I think it'll only get harder for each new generation [#dcth](#) -8:00 PM Jun 17th, 2010

[azzcatdesign](#) #Q3 No retirement. We all lost so much value in our retirement savings and homes. Besides, I don't golf! [#dcth](#) -8:00 PM Jun 17th, 2010

[GenOneStudios](#) @nicholastalks I don't like golf. Does that mean I don't have to retire? [#dcth](#) -7:59 PM Jun 17th, 2010

[cjgraphix](#) #q3 [#dcth](#) I plan on creating something EPIC, and then selling it for my retirement. Until that happens I'll keep my IRA & Savings -7:59 PM Jun 17th, 2010

[seebrowntweet](#) #q3 not sure the economy is going to get much better at this point. plus the field is so competitive. i'm getting burnt out [#DCTH](#) -7:59 PM Jun 17th, 2010

[fray](#) @majesticjess I agree. (Unless I win the lotto...) :) [#DCTH](#) -7:58 PM Jun 17th, 2010

[GenOneStudios](#) #Q3 OMG. Why are we talking about this depressing stuff ;-)
7:58 PM Jun 17th, 2010 [#dcth](#)

[mikeconaty](#) [#Q2](#) & [#Q3](#) Getting the feeling I should really hike up my prices all of the sudden. :-) [#DCTH](#) -7:58 PM Jun 17th, 2010

[nicholastalks](#) [@maddisondesigns](#) Its just something that old people and golfers do. Dont worry about it. [#dcth](#) -7:58 PM Jun 17th, 2010

[traceygr](#) [@mikeconaty](#) I had limits placed on length of my showreel from animation studio due to copyright [#DCTH](#) -7:58 PM Jun 17th, 2010

[majesticjess](#) [@maddisondesigns](#) I think the next generation of "retirees" are in deep trouble. [#DCTH](#) -7:58 PM Jun 17th, 2010

[maddisondesigns](#) [@DCTH](#) [#Q3](#) Retirement!? What's that?? ;-) : [#dcth](#) -7:57 PM Jun 17th, 2010

[azzcatdesign](#) [#Q3](#)...ohoh...already 52! What am I going to do???? Planning on working from Tuscany after I pay for 3 college tuitions! [#dcth](#) -7:57 PM Jun 17th, 2010

[mikeconaty](#) [#Q3](#) Trying not to dip into what I've already saved during this "interesting" economic... ummm clusterf*&^#. [#DCTH](#) -7:56 PM Jun 17th, 2010

[divinefusion](#) [@nicholastalks](#) bahahah [#DCTH](#) -7:56 PM Jun 17th, 2010

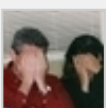

[majesticjess](#) [#Q3](#) I totally plan on being self employed in some form or another until retirement or death. That said, I need to save sometime soon. [#DCTH](#) -7:56 PM Jun 17th, 2010

[nicholastalks](#) [#q3](#) actually, i'm considering consulting and speaking/writing. Maybe take up Jazz and play until the money runs out. [#dcth](#) -7:55 PM Jun 17th, 2010

[seebrowntweet](#) [#q3](#) haha, I need to start saving. I'm doing my masters so I can teach into my later years. [#DCTH](#) -7:54 PM Jun 17th, 2010

[mikeconaty](#) [@seebrowntweet](#) Exactly... I do a lot of internal safety or training stuff, so sometimes my hands are tied by NDA's [#DCTH](#) -7:54 PM Jun 17th, 2010

[nicholastalks](#) [#Q3](#) I can't afford to die. I'm looking at life support until I'm 150. [#dcth](#) -7:54 PM Jun 17th, 2010

[majesticjess](#) [@nicholastalks](#) AMEN to that! Couldn't ever show it all. [#DCTH](#) -7:54 PM Jun 17th, 2010

[majesticjess](#) [#Q2](#) I worked for Subaru Corp HQ they told me I could use it in a personal port but not for a new company. So, depends on the corp. [#DCTH](#) -7:53 PM Jun 17th, 2010

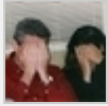

[cjgraphix](#) [#dcth](#) [@mikeconaty](#) yes. I was an out of country subcontractor and the agencies client requested all work be done in-house & in-country. -7:53 PM Jun 17th, 2010

[DCTH](#) [#Q3](#) (via [@divinefusion](#)) How are you planning for retirement. Do you imagine being self employed after 50y/60y? [#DCTH](#) -7:53 PM Jun 17th, 2010

[seebrowntweet](#) I've never been asked not to for contract work, plus I state in my contract I can use work for self promo [#DCTH](#) -7:53 PM Jun 17th, 2010
