## TweetChat #DCTH - 07/22/10

maddisondesigns @DCTH Thanks for another good one. I've missed the last couple so it was good to be able to join in today #dcth -8:40 PM Jul 22nd, 2010

<u>scottsampson</u> Been enlightening as always people! Catch you all again soon. <u>#DCTH</u> 🥎 🥕 👢 🕎

<u>maddisondesigns @kg\_creative</u> Very true. You should at least go get yourself a coffee or something while waiting for the phone! ;-) #dcth -8:39 PM Jul 22nd, 2010

jesskupferman Cheers, all! Nice to see you again! #DCTH -8:39 PM Jul 22nd, 2010

neligandesigns #5 thanks for the replies #DCTH -8:37 PM Jul 22nd, 2010

kg\_creative @dcth allright - good night everyone! #dcth -8:37 PM Jul 22nd, 2010

kg\_creative @maddisondesigns #q5 ditto. Although 'word of mouth' is more than 'sit back and wait for the phone to ring" #dcth -8:34 PM Jul 22nd, 2010

nicholastalks @gabediaz ohyes, i hear ya! #dcth -8:34 PM Jul 22nd, 2010

DCTH Alright folks, that sound is the official #DCTH vuvuzela signaling the end of the game. Thanks to all! See you next week! -8:31 PM Jul 22nd, 2010

gabediaz #Q5 The right pro bono job can do wonders. Everytime someone asks "Who did the work?" you want your name mentioned #dcth -8:31 PM Jul 22nd, 2010

gabediaz @nicholastalks The little ones are too full of energy, it's exhausting at times! #dcth -8:30 PM Jul 22nd, 2010

nicholastalks @jesskupferman Yup, it's feast of famine! #dcth -8:29 PM Jul 22nd, 2010

jesskupferman @angbowen: @nicholastalks Sometimes with more than you can handle! #DCTH -8:29 PM Jul 22nd, 2010

maddisondesigns #Q5 Same as the rest of you guys, most of my work of late has come from word of mouth/referrals #dcth -8:29 PM Jul 22nd, 2010

angbowen @nicholastalks @jesskupferman It can be a slow start monetarily but it seems that it usually pays off in the end. #DCTH -8:28 PM Jul 22nd, 2010

dabblingdesign I have gotten lots of work via word of mouth and being active on some designer e-mail listservs. Some pro bono projects also paid off. #DCTH -8:28 PM Jul 22nd. 2010

scottsampson @nicholastalks That's one of my favourite tactics - tends to lead to some good contacts/results #DCTH -8:27 PM Jul 22nd, 2010

mikeconaty @jesskupferman Facebook works for you? Most of my clients (for video work) don't use social media at all, just not there yet. #DCTH -8:27 PM Jul 22nd, 2010

nicholastalks @angbowen for sure - trading work is good too, especially if its for related services. #dcth -8:26 PM Jul 22nd, 2010

jeffSanGeorge RT @gabediaz #Q5 Word of mouth. If people are happy w/ the work you do they will usually praise it and recommend to others #dcth -8:26 PM Jul 22nd, 2010

jesskupferman @angbowen I did the same thing, volunteered and then it took off. #DCTH -8:26 PM Jul 22nd, 2010

jesskupferman @mikeconaty #Q5 I do a lot of stuff on facebook, try to stay fresh in everyone's memory. Update with new clients and designs. #DCTH -8:26 PM Jul 22nd, 2010

angbowen @nicholastalks Admittedly, I had to start with some pro bono work for some local galleries. The WoM spread from there. #DCTH -8:25 PM Jul 22nd, 2010

BigSea @nicholastalks That's what I always tell my interns. Do good work. It sells itself. #DCTH -8:25 PM Jul 22nd, 2010

jesskupferman RT @nicholastalks: It is disheartening to hear so many say word of mouth when you dont get work that way, but eventually it happens. #DCTH -8:25 PM Jul 22nd, 2010

jesskupferman #Q5 Word of mouth is good, sometimes I send emails to my contacts to see if they have anything coming up they need. #DCTH -8:25 PM Jul 22nd, 2010

mikeconaty #Q5 So it seems like most of the folks here really aren't doing much "old fashioned" marketing, more new fangled networking, huh? <u>#DCTH</u> -8:25 PM Jul 22nd, 2010

nicholastalks It is disheartening to hear so many say 'word of mouth' when you dont get work that way, but eventually it happens. #dcth -8:24 PM Jul 22nd, 2010

mikeconaty #Q2 Must have: Up front pricing, hate having to click through multi pages to find price, or add to cart to see price... useless that. #DCTH -7:56 PM Jul 22nd, 2010

marc8studio @scottsampson exactly! I automatically think "another site to register, more junk mail" #dcth -7:56 PM Jul 22nd, 2010

scottsampson @marc8studio I don't mind registering for a site I'm gonna use frequently, but if it's just for a quick purchase, then no thank you. #DCTH -7:53 PM Jul 22nd, 2010

kg\_creative @maddisondesigns | make exceptions for goog cart / paypal, as long as the transaction is easy and fast. I'd rather not register tho. #dcth -7:53 PM Jul 22nd, 2010

scottsampson @mikeconaty @johnbunka I think it's due to the fact that, like Mike pointed out, it's mainly only us geeks that know about it lol #DCTH -7:53 PM Jul 22nd, 2010

marc8studio @scottsampson I love the not being forced to register! I find myself not getting involved with sites I have to register for lately. #dcth -7:53 PM Jul 22nd, 2010

scottsampson @mikeconaty @jesskupferman I think it's more to cash in on the initial rush - easy way to make a quick buck #DCTH -7:49 PM Jul 22nd, 2010

DCTH #Q2 (via @divinefusion) What are some must haves on e-commerce sites? what are major fails? (Yes a repeat from #EDCTH) #DCTH -7:49 PM Jul 22nd, 2010

mikeconaty @jesskupferman @scottsampson Yeah, the price is prohibitive, likely to discourage squatters #DCTH -7:48 PM Jul 22nd, 2010

maddisondesigns @mikeconaty It wasn't too bad. Only a short one this morning. #dcth -7:48 PM Jul 22nd, 2010

mikeconaty @angbowen Exactly, like folks who add www to every URL, needed or not. #DCTH -7:40 PM Jul 22nd, 2010

## mikeconaty @kg\_creative Hey Kevin! #DCTH -7:40 PM Jul 22nd, 2010

kg\_creative @DCTH I totally jumped into the .co bandwagon and registered kgcr.co, which i'm using as a URL shortener (bit.ly pro) #dcth -7:40 PM Jul 22nd, 2010

ngassmann @DCTH The only person I advised was Conan O'brien. He needs to get http://co.co/ stat! #q1 #dcth -7:39 PM Jul 22nd, 2010

angbowen @mikeconaty #Q1 i would think a lot of people would just finish it off purely due to muscle memory. #DCTH -7:39 PM Jul 22nd, 2010

jesskupferman #Q1 I don't get what it's for. Am I missing something? #DCTH -7:39 PM Jul 22nd, 2010

scottsampson #Q1 my other problem with it, is the ridiculous cost when you compare it to .com, or .co.uk etc. unjustified. #DCTH -7:38 PM Jul 22nd, 2010

mikeconaty @maddisondesigns Woo hoo Anthony's back from walkies. :-) #DCTH -7:38 PM Jul 22nd, 2010

mikeconaty @jesskupferman I use tweetchat too. Haven't found anything easier or better... they all depend on how well behaved the API is. #DCTH -7:16 PM Jul 22nd, 2010

Sakmaniac I just use tweetchat. Tried with Tweetdeck, but this is the best for me for this. #DCTH -7:16 PM Jul 22nd, 2010

mikeconaty @Sakmaniac Hi Brian. How's things? #DCTH -7:15 PM Jul 22nd, 2010

jesskupferman Curious, what system do you use to follow the convo? I use tweetchat but I think it's always slow. #DCTH -7:13 PM Jul 22nd, 2010

mikeconaty @jesskupferman Yeah, 7 hours of draining my iPhone battery. Didn't even get called as a possible. Just wish I had brought my laptop #DCTH -7:12 PM Jul 22nd, 2010
