Will_Powered @neligandesigns I've generally used the WP forums for CMS questions and http://codingforums.com for strict code questions. #edcth -4:49 PM Jul 29th, 2010

neligandesigns @Will_Powered webdesignerforum.co.uk and a few other forums #edcth -4:47 PM Jul 29th, 2010

Will_Powered I have a question (for those still here). Where do y'all go to find help/ advice for development issues you come across while working? #edcth -4:47 PM Jul 29th, 2010
Will_Powered @neligandesigns We had people going through the crowd giving out stuff with our info during the giveaway - had big #'s visit our site #edcth -4:25 PM Jul 29th, 2010

neligandesigns @Will_Powered Very good, did it generate a lot of business/contacts? #edcth -4:18 PM Jul 29th, 2010

tomsturge @neligandesigns I've never tried any viral marketing. Just bog standard footwork #edcth -4:18 PM Jul 29th, 2010

Will_Powered It was $200 if you won. $400 if you won and you knew the "password". $500 if you wore a shirt we gave away earlier at the booth. #edcth -4:16 PM Jul 29th, 2010

neligandesigns @Will_Powered Smart :D, what was the giveaway? #edcth -4:15 PM Jul 29th, 2010

Will_Powered Folks retweeted it to their friends and we had a larger turnout for the giveaway. #edcth -4:14 PM Jul 29th, 2010

Will_Powered At a conference we did a $$ giveaway - and you got double if you new the "password" that we tweeted from a promotional twitter acct. #edcth -4:14 PM Jul 29th, 2010
