[DCTH](#) That's it for [#edcth](#) this week! Thanks for stopping by, my fellow designer peeps! -4:32 PM Aug 26th, 2010

[countzeero](#) [@tomsturge](#) I found the feeds... [#edcth](#) -4:23 PM Aug 26th, 2010

[tomsturge](#) [@countzeero](#) Click on the feeds link in the footer [#edcth](#) -4:22 PM Aug 26th, 2010

[countzeero](#) [@tomsturge](#) not that I noticed... [#edcth](#) -4:21 PM Aug 26th, 2010

[tomsturge](#) [@countzeero](#) Did you find the secret section? [#edcth](#) -4:19 PM Aug 26th, 2010

[countzeero](#) [@tomsturge](#) its a good start... love all that slider goodness... [#edcth](#) -4:18 PM Aug 26th, 2010

[tomsturge](#) We stopped! [#edcth](#) -4:18 PM Aug 26th, 2010

[daftks](#) RT [@tomsturge](#): [@daftks](#) UTFSE explained <http://bit.ly/dANao1> [#edcth](#) -4:11 PM Aug 26th, 2010

[tomsturge](#) [@countzeero](#) Shame I can't follow my own advice. Saying that I did just launch my personal site <http://tomsturge.co.uk> [#edcth](#) -4:11 PM Aug 26th, 2010

[countzeero](#) [@ReptarRoar](#) can only agree with [@tomsturge](#) -avoid spec work in preference of personal projects to build a good portfolio and skillset [#edcth](#) -4:08 PM Aug 26th, 2010

[tomsturge](#) [@daftks](#) UTFSE explained <http://bit.ly/dANao1> [#edcth](#) -4:08 PM Aug 26th, 2010

[tomsturge](#) [@ReptarRoar](#) Do great personal projects, using all your skills and attention to detail. Be it websites, print or 3D [#edcth](#) -4:06 PM Aug 26th, 2010

[tomsturge](#) [@countzeero](#) That intro'ed me to a new acronym, erm.. thanks?! [#edcth](#) -4:04 PM Aug 26th, 2010

[countzeero](#) [@daftks](#) [@tomsturge](#) that seems to be where the problem lies - solved guess I should have just UTFSE [#edcth](#) -4:02 PM Aug 26th, 2010

[ReptarRoar](#) What would you suggest for a recent grad to do to increase their chances of landing that first job in design? [#edcth](#) -4:02 PM Aug 26th, 2010

[DCTH](#) Any burning questions you guys want to ask? [#edcth](#) -3:58 PM Aug 26th, 2010

[daftks](#) Question RE: OS X App I cant live w/o » Postbox, Onyx, Tweetdeck [#EDCTH](#) -3:57 PM Aug 26th, 2010

[daftks](#) [@tomsturge](#) [@countzeero](#) this post seems to be talking that issue (scroll down a bit) » <http://bit.ly/dCXbdK> [#edcth](#) -3:54 PM Aug 26th, 2010

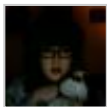

[countzeero](#) [@tomsturge](#) good tip... not quite up to speed on the built in font management in OSX maybe there is a conflict going on there... [#edcth](#) -3:54 PM Aug 26th, 2010

[tomsturge](#) [@countzeero](#) That looks like a corrupt font, Helvetica? But it's a mac, that's the last thing that should go wrong [#edcth](#) -3:51 PM Aug 26th, 2010

[countzeero](#) [@tomsturge](#) I keep getting weird font problems in chrome- see here <http://twitpic.com/2hztoB> - anybody seen that before? [#edcth](#) -3:49 PM Aug 26th, 2010

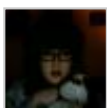

[daftks](#) Ack, wifi@ home is being annoying.apologies if my responses are slow! [#edcth](#) -3:48 PM Aug 26th, 2010

[countzeero](#) [@kristofcreative](#) Safari for surfing, Firefox for Dev, Chrome for Social Stuff, Opera because I like it, ie is not getting installed. [#edcth](#) -3:47 PM Aug 26th, 2010

[tomsturge](#) [@kristofcreative](#) Chrome 6.0.472.41 beta Windows [#edcth](#) -3:44 PM Aug 26th, 2010

[daftks](#) [@tomsturge](#) yay for free certs! [#edcth](#) -3:44 PM Aug 26th, 2010

[kristofcreative](#) [@tomsturge](#) What browser are u using? [#edcth](#) -3:44 PM Aug 26th, 2010

[tomsturge](#) [@countzeero](#) Butler, weird that I don't have a Mac but it's a great app [#edcth](#) -3:43 PM Aug 26th, 2010

[countzeero](#) [@DCTH](#) seeing as I am busy filling my Macintosh HD - please name one App for Mac OSX you can't live without (exclude adobe CS5 please) [#edcth](#) -3:42 PM Aug 26th, 2010

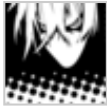

[tomsturge](#) [@neligandesigns](#) Hey! [#edcth](#) -3:42 PM Aug 26th, 2010

[neligandesigns](#) Hi everybody [#EDCTH](#) -3:42 PM Aug 26th, 2010

[countzeero](#) [@tomsturge](#) I have put in 3 months of hard graft but it is paying off, in the last couple of weeks got an [#iPad](#) and [#iMac](#) 27" [#macsnob](#) [#edcth](#) -3:40 PM Aug 26th, 2010

[DCTH](#) Anyone got a question to throw into the chat? [#edcth](#) -3:38 PM Aug 26th, 2010

[tomsturge](#) [@countzeero](#) I know, but it's 30+ pages of badly written confusing questions. Tomorrow, I promise [#edcth](#) -3:37 PM Aug 26th, 2010

[tomsturge](#) [@daftks](#) It's a watered down course. Only thing keeping me there is the fact it's an Adobe & Apple training centre, free certificates! [#edcth](#) -3:36 PM Aug 26th, 2010

[countzeero](#) [@tomsturge](#) I assure you it is well worth the hassle of filling out a form... [#edcth](#) -3:34 PM Aug 26th, 2010

[daftks](#) [@tomsturge](#) Graphic Design =) everything is digital nowadays, so your degree would be useful! [#edcth](#) -3:34 PM Aug 26th, 2010

[tomsturge](#) [@countzeero](#) I'm hoping to follow suit soon, that's if I can get around to filling out the student finance form for uni next month =/ [#edcth](#) -3:33 PM Aug 26th, 2010

[tomsturge](#) [@cecycorrea](#) Ukelele? Bit random, great odd ball party piece tho =O) Congrats on the job, may I ask where and doing what? [#edcth](#) -3:31 PM Aug 26th, 2010

[countzeero](#) [@tomsturge](#) yep... and not ashamed to admit it... I used windoze enthusiastically for years but I will never go back... never... [#edcth](#) -3:31 PM Aug 26th, 2010

[tomsturge](#) [@daftks](#) Good times! I might not see my degree out, kinda pointless qualification (Digital Media pfft!). What did you study? [#edcth](#) -3:30 PM Aug 26th, 2010

[cecycorrea](#) [@tomsturge](#) Cool! I got my office job, and have no side projects right now. Just learning to play Ukelele. And working late. [#EDCTH](#) -3:29 PM Aug 26th, 2010

[daftks](#) [@tomsturge](#) been good thanks! Graduated now wheee! How about you? [#EDCTH](#) -3:28 PM Aug 26th, 2010

[tomsturge](#) [@cecycorrea](#) I'm mostly working with Jason lengstorf for his company Ennui design. What you up to? [#edcth](#) -3:28 PM Aug 26th, 2010

[cecycorrea](#) [@tomsturge](#) I'm good, you? Working on anything cool? :) [#EDCTH](#) -3:27 PM Aug 26th, 2010

[tomsturge](#) [@countzeero](#) So now your a mac snob? =O) 5 mins with a new mac and your all fan boy [#edcth](#) -3:26 PM Aug 26th, 2010

[countzeero](#) [@tomsturge](#) me? I´m fine thanks, this is the first time i´ve been in [#edcth](#) as a mac user so actually I´m feelin great!! [#macfanboy](#) [#edcth](#) -3:25 PM Aug 26th, 2010

[tomsturge](#) So how's things going for everyone? [#edcth](#) -3:23 PM Aug 26th, 2010

[mikeconaty](#) [@cecycorrea](#) Hardy Har Har... hey you're right, I can see it better now. :-D [#EDCTH](#) -3:18 PM Aug 26th, 2010

[cecycorrea](#) [@mikeconaty](#) it might help you see better if you take your hands off your face ;) [#profilepicjoke](#) [#EDCTH](#) -3:16 PM Aug 26th, 2010

[tomsturge](#) Hi [@countzeero](#) & [@cecycorrea](#)!! [#edcth](#) -3:16 PM Aug 26th, 2010

[mikeconaty](#) [@kristofcreative](#) I may be going blind in my old age, but I'd increase the pt size on the actual tweets, kinda hard to read on 1 line [#EDCTH](#) -3:16 PM Aug 26th, 2010

[cecycorrea](#) [@DCTH](#) hi everybody! [#EDCTH](#) -3:15 PM Aug 26th, 2010

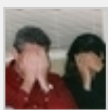

[DCTH](#) Hello everyone, good turn out this week so far [#edcth](#) -3:13 PM Aug 26th, 2010

[tomsturge](#) [@kristofcreative](#) The styling? Looks clean, but the share links seems to be acting weird <http://is.gd/eFnqZ> [#edcth](#) -3:13 PM Aug 26th, 2010

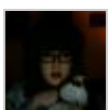

[countzeero](#) not been here for a while... hello everybody, remember me? [#edcth](#) -3:12 PM Aug 26th, 2010
